Pursuant to the Association Bylaws and applicable Michigan law, I hereby request that a Special Meeting of the Membership be scheduled for the purpose of considering proposed amendments to the Association Bylaws relating to member participation and voting procedures.

Proposed amendment language is enclosed with this request.

The proposed amendments are intended to improve member participation and accessibility by addressing matters including:

- Proxy voting procedures
- Remote meeting participation
- Non-in-person voting options
- Electronic or written ballot procedures
- Expanded member access to Association meetings and votes

The purpose of these proposed changes is to help ensure that all members have a reasonable opportunity to participate in Association governance regardless of travel limitations, work schedules, age, disability, seasonal residency, or other accessibility concerns.

To encourage broader member participation, I respectfully request that the Special Meeting be scheduled on a Sunday at 3:00 PM.

I further request that the Board:

1. Schedule and notice a Special Meeting of the Membership in accordance with the current Bylaws and applicable Michigan law.
2. Include the proposed amendment language with the official meeting notice sent to the membership.
3. Allow adequate time during the meeting for member discussion and questions regarding the proposed amendments.

4. Conduct any required membership vote in accordance with the voting requirements established in the Association Bylaws.
